Vishal Subhash Pawar

SUMMARY

Recent graduate passionate about Front-End Web Development.

SKILLS

TECHNICAL SKILLS

Frontend: HTML, CSS, Javascript, React js, typescript

Backend: Node js, Typescript

Database: mySql

TECHNICAL SUMMARY

- Proficient in React: Experienced in developing user interfaces using React, demonstrating a strong understanding of its components, state management, and lifecycle.
- Cross-platform Development: Skilled in creating applications that run seamlessly across various platforms, ensuring a consistent user experience.
- State Management: Familiarity with state management libraries such as Redux for efficient data flow and application state control.
- API Integration: Proficient in integrating with APIs, connecting the front end with back-end services to fetch and update data dynamically.

AREAS OF STRENGTH

- Strong analytical and problem-solving skills, capable of troubleshooting and resolving issues in a timely manner.
- Collaboration: Ability to work collaboratively within a team, communicating effectively and contributing to the overall success of the project.
- Continuous Learning: Eagerness to stay updated with the latest trends and technologies in front-end development, demonstrating a commitment to continuous learning and improvement.

ACADEMIC PROJECTS

Personal Portfolio Website

- Created a dynamic and visually engaging personal portfolio website for showcasing the professional profile.
- The website features a modern design aesthetic with smooth animations and interactive elements to captivate visitors and highlight skills and portfolio.

Technologies Used:

- Frontend: Utilized HTML5, CSS3, and JavaScript for structuring, styling, and interactivity of the website.
- Libraries: Integrated GSAP and Locomotive Scroll libraries for smooth animations and scrolling effects. https://vishalpawar88.github.io/project1/_

POSITION OF RESPONSIBILITIES

- Led the conceptualization and frontend development of personal portfolio website, integrating animations and ensuring responsive design.
- gathered requirements, conduct testing, and implement user-friendly interactions, contributing to an immersive browsing experience.
- Maintained documentation and stayed updated on web development trends to continuously enhance the website's design and functionality.

EDUCATION

- College Branch BSc Physics | College Abasaheb Garware College Pune | CGPA: 8.05 | 2022
- XII NMV Junior College | Percentage: 56.77% | 2019
- School New English School, Tilak Road | Percentage 79.00% | 2017
